ASCL Management and Professional Services

CONSULTANCY

Personalised support for colleges

ASCL MAPS is one of the leading training and consultancy providers to secondary schools. In the academic year 2008-2009 over 3,000 school and college leaders used our consultancy service and/or attended our courses. 94 per cent rated the support and training they received as good or outstanding. Now college leaders are able to access the same high quality support, tailored for college needs and using experienced college practitioners.

Recognising the complex nature of modern colleges ASCL MAPS offers a range of services and support to cover the various needs of your institution:

- Senior leadership appointments, including college principals
- Strategic development planning
- Interpreting your own data
- Strategic seminars for governing bodies
- Mini inspections for subject areas or across the whole college
- Relationships with governors
- Help with writing SARs
- Developing senior teams
- Funding advice

In addition individual college leaders can be supported through:

- Individual career planning
- Mentoring service
- Salary and conditions of service negotiations

Members of ASCL will also receive:

- Monthly issue of *College Matters* via the ASCL website
- Legal protection including access to 365 day hotline and our team of field officers
- Contract checking and advice
- Personal support from other experienced college leaders through the ASCL networks
